Week 1 & 2	Water every other day	Perennials for 20 – 30 seconds each Shrubs for 40 seconds each
Week 3	Water 2-3 times per week	Perennials for 20 – 30 seconds each Shrubs for 40 seconds each
Week 4	Water 2 times per week	Perennials for 20 – 30 seconds each Shrubs for 40 seconds each
Week 5 – Thanksgiving	Water once a week	Perennials for 20 – 30 seconds each Shrubs for 40 seconds each

Trees

Week 1 – Thanksgiving	Water once a week	No irrigation system: 15 – 20 gallons each Irrigation system: 7 – 10 gallons each
-----------------------	-------------------	--

It is more beneficial to water less frequently and deeper than to water more frequently and lighter. Natural rain that is steady and ground absorbing may account for a watering.

Note: Plants that are not properly taken care of may void your 12 month warranty. Extreme weather conditions are not covered.
