

ANACARA PATIO FURNITURE CARE INSTRUCTIONS

Below are a few guidelines to keep your Anacara patio furniture beautiful for many years to follow.

Aluminum Frames and Resin Wicker – Keep furniture clear from all debris. Clean frames with a mild detergent and warm water, rinse and let dry. Do NOT use wax on textured frame finishes.

Cushions & Sling – If excess water accumulates in cushions, scrub with mild detergent and stand on end to dry, do NOT dry clean or put in dryer. The best maintenance is to store out of the elements or cover when not in use.

Glass Table Tops – For safety tempered glass is used on all of our products. The glass may be cleaned with any glass cleaner.
